Dear John Violette,

On behalf of the Bearcat AI Grants Committee, in collaboration with the AI Enablement Community of Practice (AIECOP), we are thrilled to inform you that your proposal,
ID Career Sorter App: Personalizing Industrial Design Education, has been accepted. We are pleased to award you $4500 to be used toward the following:

Proposal Title	**ID Career Sorter App: Personalizing Industrial Design Education**	
Amount Requested	$5,000	
Funding Approved	$4,500	
Funding Approved For	**Item**	**Amount**
	Personnel	$3,000
	Technology	$1,000
	Evaluation	$500
	Total	**$4,500**

We recognize that we were not able to provide full funding for your proposal. The committee agreed to fund items that we felt would be most impactful to your work. If you choose not to accept partial funding, please let us know ASAP.

To receive your funds, please **reply all** to this email
by Tuesday, June 24th, 2025 so that Bridget Bauer (bauerbt@ucmail.uc.edu**)**,
who is copied, can work with you to release the necessary funds. University employees should provide her with the account string for the transfer. Students who are working without a UC Staff or Faculty member should provide their name and UCID.

More information about next steps, deliverables, and expectations will be shared by the Bearcat AI Grants committee in the coming weeks. Feel free to reach out with any questions in the meantime. Congratulations once again on your success! We look forward
to seeing the impact of your project and are here to assist you with any questions or further support you might need.

Regards,

Noelle Bareswilt, Co-Chair

Sid Thatham, Co-Chair

Bearcat AI Grants Committee
